DEFINING MOMENTS

I am the orange cones in the parking lot during drivers education. I am the football field during two-a-day summer practice. I am the noisy auditorium during orientation. I am the silent gymnasium during the PSAT. I am the knowledge of AP students. I am the march of 94 band members. I am eight seconds left on the scoreboard. I am the impatient pause in the crowded hallway. I am a sigh of frustration after the computer "dies." I am the screams of hundreds of sports fans. I am the beginning of a complex idea. I am a glimpse of possibility. I am the instant before a fear is conquered. I am perfection after hours of practice. I am the time needed before self-discovery. I am the lost freshmen on the first day of high school. I am the thrilled sophomore driving to school alone for the first time. I am the tired junior waking up early on a Saturday to take the SAT. I am the stressed senior attempting to avoid finals.

“When the defining moment
comes, either you define the
moment, or the moment defines
you.”

ACADEMICS

I am the will to go after a great article.

I am the creativity for designing unique pages.

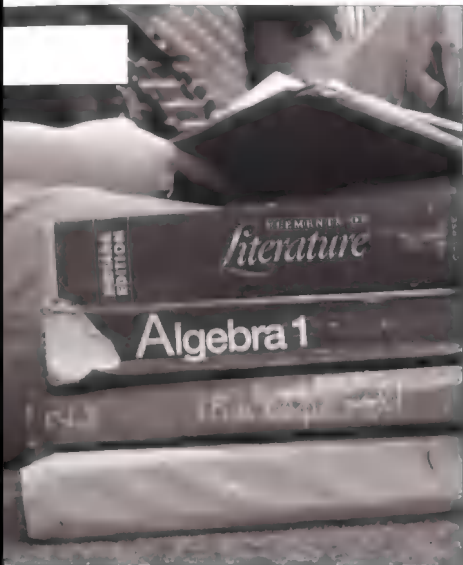

I am the time it takes to study for an economy test.

I am that one book that allows you to write a paper.

I am that perfectly taken picture.

I am the instrument that's been played since freshmen year.

THE YEARBOOK STAFF

It is a book created by words and pictures or ideas. It is a single picture that gives you a look at 25 years of school life and a look at the things that have made our yearbook staff. It is the picture of your school's history and the things that have made it what it is today. It is the picture of the things that have made our school what it is today. It is the picture of the things that have made our school what it is today. It is the picture of the things that have made our school what it is today.

There are a few other factors that may contribute to the development of a urinary tract infection. For example, a urinary tract infection may be caused by a urinary tract obstruction, such as a kidney stone or a narrowing of the ureter. In some cases, a urinary tract infection may be caused by a urinary tract infection that has spread from another part of the body, such as the bladder or the prostate.

CHOIR

Music is the rhythm and beat, swing and groove that gets your fingers tapping and feet moving. It allows you to express yourself. Whether through instrument or voice music is a powerful and moving force.

SERVICE

Service work and work experience provides an opportunity for students to take a trial, from the mundane ninety minutes of lectures, tests, quizzes, and projects, from making chairs to simply grading tests, students are able to experiment with fields in which they may choose to pursue a career in, and maybe even make a little cash along the way.

WORK AND WORK EXPERIENCE

Work experience is a great experience and a fun way to make some money.

ELECTIVES

You can feel it- we can all feel it- it is time for a break. When Spring Break is too far to even think about and Thanksgiving too feels like an eternity- it's those classes that make the day go a little faster and a little easier. When the day is loaded down with Pre-Cal and U.S. History Honors nothing feels better than an **elective** class. Because it's not just **lifting weights, drawing or cooking**- it's an opening the day to relax and let your brain rest.

Outlets for pent up creativity can be seen rolling off our hands as we throw **clay**, **process** a photo or **focus** the camera, it's a new **twist** on cooking, it's designing a house, even weightlifting **encompasses** creativity. So 2nd hour- maybe 4th, either way the day is slightly closer to being over and a tiny bit sooner to **that break** we are all anticipating.

Remember though four years is only a small piece in our lives- so take in the day. These years will go faster than any of us realize. Much more is to life than just the here and now- **live it up live it right**.

PROJECTS

Mrs. Bohrer's 3rd Block class headed out into the world to create a masterpiece after a week of studies. The project was to design and create a sculpture of a person in a dark, hooded garment, possibly a costume, with a white face and dark hair. The students spent time on the project, and the final result was a masterpiece. The sculpture was made with a mix of materials, including clay, wood, and fabric. The student who created it has a mix of green hair and blue lips.

AFTER SCHOOL JOBS

Many of our students here at Northridge spend a few hours each night or week working at various places. We have students doing jobs from being a waiter, waitress, hostess, to working at a fast food place, to helping people at Park Pharmacy or helping at the library. It seems like most of our students here work at restaurants, but it's a nice way to meet and greet new people and show how well Northridge students can get the job done.

Words from the Big Guy

"When looking back at the season there are many positive things that happened during the course of the year. The attitude towards football at Northridge has changed thanks in part to the senior class. Each week they lead our team with enthusiasm and always approached the next week with the same emotion and intensity. Losing tests character even more than winning does. Our seniors will be very successful in whatever they choose to do for a living. The foundation for future success is set and now it's up to next year's seniors to lead us to be competitive in the NLC."

Page 15

This year the girls had more than just a few wins, they dominated. Finishing the season with 19 wins and only 2 losses, the ladies were on fire winning NLC, receiving third at sectional and 7th at regionals. All the young women put forth an amazing effort. Special awards went to NLC All Conference Honorable Mention-Melissa Wenger, Most Improved-Devin Klatka, and a JV award going to Ashley Boomershine.

WHAT A GREAT SEASON! I WAS A LITTLE NERVOUS GOING INTO THE SEASON AFTER LAST YEAR, ESPECIALLY WITH SUCH A YOUNG TEAM. HOWEVER, OUR STRONG SENIOR LEADERSHIP REALLY PULLED THE TEAM TOGETHER. IT WAS A SEASON FULL OF ACCOMPLISHMENTS AND I CAN HONESTLY SAY THAT THIS IS PROBABLY THE BEST GIRLS XC TEAM TO EVER GO THROUGH NORTHBRIDGE. I HAD 16 GIRLS. ONE OF THE HIGHLIGHTS OF THE SEASON HAD TO BE WATCHING OUR CONFERENCE MEET.

Look again

I see summer promise at twilight in the morning sun
I see a first plane trophy on St. Joe
Third of his flags
Still see just a cheerleader?
I see a perfect toe touch and a pike
I see a perfect tumble pass
A cold fall night and hundreds of fans
creeching along at the first home football game

What do I see now?
Four months later
Starting line up
NORTHRIDGE vs. NORTHERWOOD sectional game

Do these faces still look like just cheerleaders?
I see a NORTHRIDGE cheerleader
Hours of practice that shows

How disappointed
Disappointed waiting
for it

Who are WE?
NORTHRIDGE CHEERLEADERS

With an All-State Candidate, a 6'9" prospect, an automatic three point shooter, one of the best defensive players in the area, a "cry baby" point guard and a stellar senior, good things would come to this basketball team. They lived up to that reputation with a winning season and a sectional championship.

Mental Attitude

Every athlete has experienced failure & knows the pain of not experiencing it again. Many athletes stop when they have reached a perceived limit or when it becomes uncomfortable to continue. Only a select few athletes have the heart & desire to train unconditionally to reach their goals & perseveres to have the courage and character to understand that training makes them quicker faster stronger, but most importantly allows them to gain a mental edge over future opponents.

STUDENT COUNCIL

The Northridge Student Council is a group of students who are elected to represent the student body. They are responsible for planning and organizing school events, as well as representing the student body in meetings with school administrators. The council is a great way for students to get involved in school and make a difference in their community.

"This year's Student Council members have been awesome. They have accomplished a lot. The officers have been wonderful to work with!" Mrs. Lambie

"Never doubt that a small group of thoughtful concerned citizens can change the world. Indeed it is the only thing that ever has!"

What is there to say about the Northridge Student Council this year? Its been a very successful year for the Council. The Council has been part of the following: Homecoming Can Food Drive (we had 5 truck loads!), Christmas breakfast for the teachers, welcome back breakfast and baskets for the teachers, Books for Tots (each 1st grader received 2 books), Landscaping the front of Northridge, Valentine's Day dance for the functional skills students, and lunch buddies with elementary students. The council has received many compliments this year and has nearly 100 members. Way to go Student Council and keep up your good deeds!

We've got spirit, how about you?

Homecoming is one of those many events throughout the year that we never forget. Getting all geared up for the big game and showing our support for our football players. The week's events consisted of hat day, rock concert, shirt day, class color day, decade day, and then green and gold day on Friday. Many of us got bundled all up and sat out in the rain for the big game to show our support for our Raiders. Then after the game it was to the dance where you could just have fun being iters and dance to the great music of our own DJ Trixx! Sam Khan. We won't ever forget the great memories of homecoming. It's always something everybody looks forward to each year.

FALL DRAMA

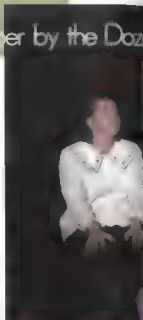

96 Fall Drama

This play is about a well-to-do family full of over-achievers creating mischief. Dad (Dave Moari) only wants the best for his children, especially his oldest daughter (Lindsey Null). After buying the flirty clothes, bringing home the boy cheerleader (Chase Hoefler) and causing a few more problems, the oldest daughter proves she's not perfect. In the end Dad repairs

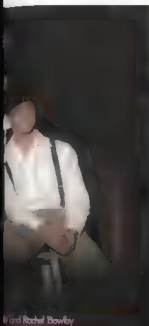

the damage and everyone goes home before leaving the scene.

A RED CARPET AFFAIR

Prom

May 8, 2004

Men
Josh Fisher, Zach Blum, Nick Hester, and others

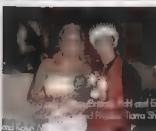

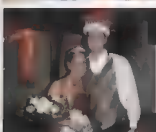

It was May 8, 2004. Was it your first prom? Was it your last prom? Did you remember it? Or was it all a blur - the black light mixed with red lights shining white. Did you remember the lack of food? The talks and toasts. Prom 2004 came and went. Went away until next year or for some, this was the end. But here it is just for you to look back at.

I am finally getting settled into Northridge High School. I am the year that I can say "I am not a freshman anymore!" I finally have the chance to pick on the incoming 9th graders. It's also the year when I got my driver's license. I can throw away that learner's permit that I have had for ever. When this year is over I will already be halfway through high school. Let the year end.

FRESHMEN

I am a freshman. I am in new halls. I am the beginning. I am the first night of my high school years. I am anxious. I am tough. I am going to have the best four years of my life. I am forming. I am more than last year's freshman experience. I am extremely limited. I am in preparation. I am learning. I am nervous. I am skeptical.

The chapter of your life you have now completed. You have experienced the bonds of friendship, you have learned, you have grown, you have worked, and at times experienced bumps in the road but found your way back to smoother pavement.

You are very focused on goals you wish to achieve. Now make that a reality.

We thank the Lord for choosing you as our daughter. Keep smiling my Sweet Pea.

Love you always
